

DEVELOPERS COMMUNITY

At MERITRISE, we have a team of highly skilled and experienced software developers who are passionate about creating innovative solutions for our clients. We are currently looking for talented individuals who are interested in software development and want to join our team.

VISION

We have the vision of developing Projects at Industrial Standards for the betterment of the society and provide a platform for upcoming talents in this field.

MISSION

1. Provide learning ambience to generate innovative software projects with professionalism.
2. To create facilities and expertise in software development.
3. To induce ethical values and spirit of social commitment.

LETTER OF APPRECIATION

Dr. Geetha Kiran.A
Professor & Head
Dept. of Computer Science Engineering
Malnad College of Engineering ,
Hassan

On behalf of our Hassan Police Department and staff, I wish to thank you for your help during covid-19. Your dedication, commitment and courage deserves our deepest gratitude and admiration.

Thank you for being our "Technical support" by developing "Home Quarantine Application" and "Leave Application" for us which is greatly appreciated.

Thanking you,

Srinivas Gowda.R. IPS
Superintendent of Police
Hassan District, Hassan
